

Using OverDrive on Apple Devices (iPad, iPhone, iPod Touch)

Overview of steps:

1. Download OverDrive Media Console
2. Finding Books
3. Checking Out eBooks
4. Navigating in eBooks
5. Returning and Deleting eBooks

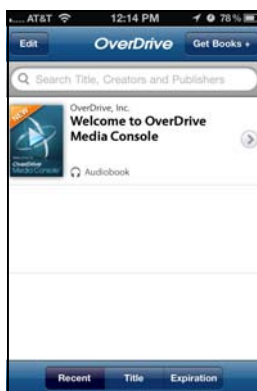

1. Download OverDrive Media Console

Install the free OverDrive Media Console from the iTunes App Store. If you prefer, the app can be downloaded from the iTunes store then synced to your device.

2. Finding Books

- a) Once the app has been installed, tap on **Get Books**. Then tap on **Add a Library**. If you live in the St. Augustine area, **Search** using your *zip code* or search by St. Johns County, (you must use the period), or browse. From the list of libraries, tap on **St. Johns County Public Library** or your local branch.

Now the SJCPLS eBook collection is available to you through OverDrive for searching, browsing, and checking out eBooks.

- b) Tap on St. Johns County Public Library then tap on **Login**. Enter your 14-digit SJCLPS **library card number**, without spaces, and tap on Login to access My Account.

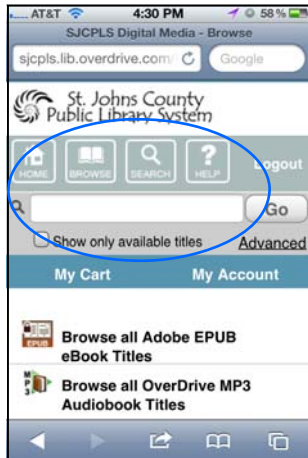

- c) From this page, you can review your account by swiping up or down (scrolling) to see **My Account** options: My Cart, Lending Periods, Items Out, My Hold Requests, and Wish List.

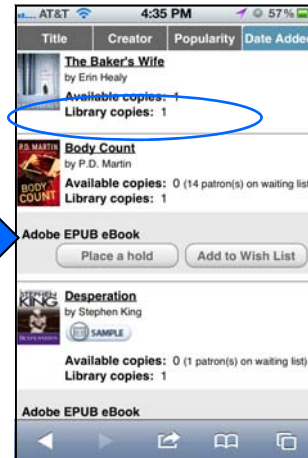

- d) To view the SJCLPS eBook catalog, you can tap on **Browse** or **Search** or enter a search term (title or author name) in the search field and tap *Go*. To see what is currently available for checkout, select the *Show Only Available Titles* option.

The **EPUB** format is the only format compatible with OverDrive so look for EPUB format only.

If a title does not display the file type, it is not in EPUB format.

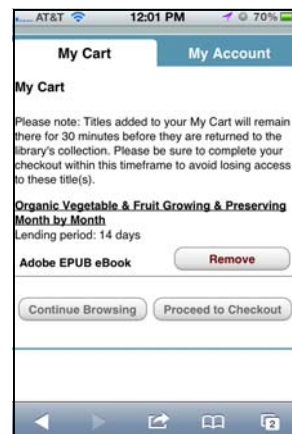

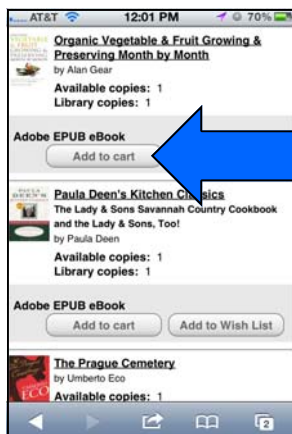

3. Checking out eBooks

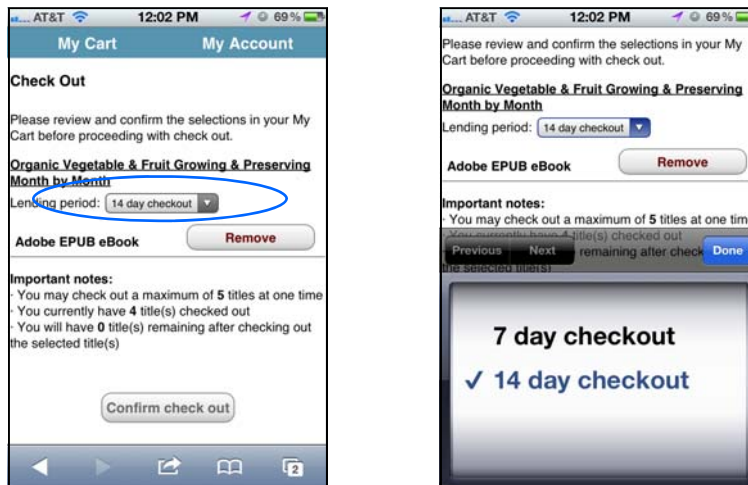

- a) Once you find a title you want to download, tap on **Add to Cart**. *NOTE:* Items in My Cart will automatically be returned to the library's collection if not downloaded within 30 minutes.

TIP: If the title is not available, you have the option to *Place a Hold*. If you don't want to check out the title at this time, click on *Add to Wish List* as a reminder to check out at another time.

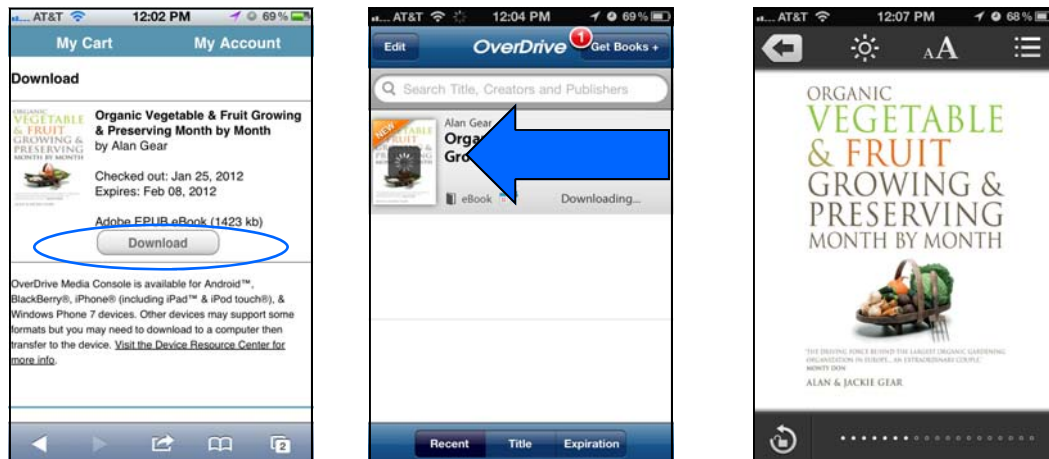

- b) From **My Cart**, tap on *Continue Browsing* to add another item OR **Proceed to Checkout** to complete browsing. *TIP:* Changed your mind? No problem, click on *Remove* before proceeding to checkout.

- c) On the Check Out page, choose the **Lending Period** you want by tapping on the drop down arrow. Tap on **Confirm Check Out**.

- d) Tap on **Download**, this will open OverDrive in a different screen. Tap on the eBook cover to open for reading. To get the menu screen, just tap the screen.

4. Navigating in eBooks

To advance to the next page, swipe your finger across the page or run your finger across the dots at the bottom of the screen to advance to a specific page number.

To return to the OverDrive library, click on

To adjust brightness or switch to night mode, click on

To adjust text size or switch to a sepia background, click on

To bookmark a page, you must be on an eBook page and not the navigation page. To place a bookmark on a page, click on

To navigate through chapters and bookmarks, click on

To return to the text, tap the screen.

5. Returning and Deleting eBooks

- a) From the OverDrive library page, swipe your finger across the eBook you wish to return and delete. The red **Delete** button will appear, tap it then select **Return Then Delete**. This will return as a checkout and remove it from your OverDrive library.
