

ST. JOHNS COUNTY PUBLIC LIBRARY SYSTEM

HASTINGS FRIENDS OF THE LIBRARY

WHAT DO FRIENDS DO? We support the library. How?

- We promote and support the library in our community, the county, and much more.
- We sponsor special guests for the children's summer reading program and other special events.
- We bring in guest speakers for adult workshops.
- We buy materials which compliment our library's collection.

Please consider becoming a Friend of the Hastings Branch Library. Think of the wealth of educational and recreational materials available to you and your family through the library and commit to help us continue to grow.

More information on the Hastings Friends of the Library...

In 1990, a non-profit organization, the Friends of the Library of Hastings, Inc. (informally known as the Hastings Friends of the Library) began its continuing task of working with the Town of Hastings, the St. Johns County Public Library System, and the St. Johns County Board of Commissioners to provide quality resources and services to the ever-increasing population of the Hastings area.

The Friends were instrumental in the opening of the new library in the Hastings High School Community Building in May of 1997.

The Friends are continuing our support by sponsoring programs for children, teens, and adults. We also purchase materials which we feel uniquely compliment our community such as family videos and children's learning equipment.

The Friends meet the 3rd Thursday of each month at 6:00 p.m. in the Hastings Branch Library. Everyone is invited. Please join us!
