We want to know what you think about your library system

ST. JOHNS COUNTY, FL — 4/25/18 — It is time once again to update the *Long Range Plan* for the St. Johns County Library System, and we need YOUR help!

On the front of the library's website, sjcpls.org, we have posted a new *Current Use and Facilities* survey. This survey invites you to tell us what you think of your libraries as they are today. In a few months, we will send out another survey asking for your vision of where the library system should be headed for the next 20 years.

Your thoughts are important to us! Please take a few minutes to fill out the survey at sjcpls.org and ask your friends, family and neighbors to get involved. For further information about this survey, contact Lisa Calvert at 904-827-6935 or lcalvert@sjcfl.us.

###

*The St. Johns County Public Library system serves the community by providing access to technology, facilities, collections, programs and services that help people meet our mission: **Connect, Learn, Enjoy @ Your Library.***
