THIS READING LOG BELONGS TO _____

The St Johns County Public Library System Summer Reading Program

Summer reading programs are a fun way to include reading and related activities into summer family time. It helps children maintain and improve reading skills.

Reading Log

Instructions

1. Use the grid on the right to check off each day that you have read or been read to during our Summer Program.

2. Bring your reading log to the library each week and show it to a library staff member for a terrific prize.

**Attendance at a Summer Reading Program counts as one day read.*
